# ABOUT

R Ceramica is a legacy brand rooted in one of the oldest and most renowned bathroom fitting manufacturers, celebrated across markets for its quality and elegance. With a visionary leadership team, the company has reached remarkable milestones in a short period of time, leveraging its robust information networks and the dedication of its hardworking team members.

Recognizing the evolving lifestyles and the growing demand for unique structural designs and modern decor, R Ceramica has reimagined the concept of bathroom fittings and accessories. To meet the increasing needs of the domestic market, the company has established a state-of-the-art manufacturing facility, equipped with advanced technology and machinery, ensuring both efficiency and precision in production. Our commitment to superior quality, eye-catching designs, and competitive pricing makes our products a preferred choice in the domestic market.
